“ Deb and Jerry,

Please know that you are in our hearts and in our prayers over here in Central Wisconsin. We have not had much contact through the years, but we share the same agricultural life and our children are all the same age. May your sorrow be softened by the sure hope of a time yet to come and the salvation won for us by our Lord Jesus.

I wish we could be there. We will pray for Brandon and your entire family today and at all our Masses this weekend.

Peace in Christ,

(Your cousin) Deacon Mike and Debbie Schaefer

“ I remember Brandon and a 5 year old as I was his kindergarten teacher. (Mrs. Holbrook) There are some children that a teacher never forgets and Brandon is one of them. He always came into the classroom with a bounce in his step and a smile on his face. He had some colorful stories to tell, and he wasn't afraid to let you know ALL of the details. Thinking of him brings back good memories, memories that make me chuckle, as I sit and write this with tears in my eyes. My heart goes out to the family and friends of Brandon.

Peace,
Aleta Holbrook
