“ My deepest sympathy to Monica's family. She had been a sailing friend for so many years - her smiling face, happy personality, and love of sailing - the comradery with all she met - I'm so very sorry you had to lose her at such a young age. But - her love for all of you will linger on after the pain of losing her is gone. Get comfort in knowing how many friends she had, and loved her. May she have fair winds and following seas -

“ Our deepest sympathy to Monica's family, we shared the lake view and while we did not know one another beyond a wave across the yard we understood her desire for peace while at the lake. Now free from pain we pray she is enjoying her heavenly sail. Gail and Lowell

“ I remember Monica in the early 1980's when we worked together in OB. She was a very caring nurse.

“ Oh Monica, my dear friend, I am so going to miss you. I will miss our chats. I will miss our breakfasts and luncheons. I will miss our outings and vacations that we took together. The sailing trips. The sharing of ideas and plans. May you rest in God's arms. I know how much you loved our Lord and I know he will have a special place prepared for you. I know how much you loved Deb and the grandkids and I know they will remember all the things that you have done with and for them in the years to come. Rest well, my friend. I love you!

“ Monica was a staple on Family Birthing for so many years! She touched so many families and coworkers and friends, it is hard to imagine this being true! We just sat in our breakroom not long ago wishing her well during retirement and encouraging her to sail and spend time with her family, whom she loved so dearly! She will be dearly missed here with us!

“ There are so many wonderful memories of times and things we have done together! Of course there was fishing, boating and sailing, did you know she got her Captain certificate?

But then there was all the other wonderful things we did. Like cross country skiing, ice fishing, and of course I would always be asking Monica about how to do something for quilting. She was amazing and good at so many things.

Monica was always so generous and kind. Monica was always offering to help out and or do stuff for you. I question that's the nurse in her always caring.

As far as a parent and grandma, she always was doing new things with them and talking about her kids and grandkids.

I miss you Monica and I will always remember you and all the good times!
