“ Dear Randy and Mary,

I learned of Aaron's death and wanted to send my deepest sympathies. He was a thoughtful and faithful young man! I remember him serving at St. Martin for Benediction every week. And his dedication to practicing piano for the festival. I am blessed to have known him for a short while. Dan and I will be praying for your family and for Aaron.

“ Aaron was one of the nicest most generous people I have met. It was a privilege to have known him. I remember the first time I met him I told him his laugh sounded exactly like mine, which it did. Every time I heard him laugh it made me smile. His work ethic was unmatched, the man could have run the entire unit by himself. May his family be blessed and know that Aaron touched so many peoples lives and there are so many people who grieve with you and support you in this time of mourning. It's still hard to believe this happened. I think it will take us all a while to process this. Be kind and gentle to yourselves in this time of great sorrow.
