

Aaron J. Voigt

February 27, 1980 - October 1, 2021

The life of Aaron Jeffrey Voigt will be celebrated on Sunday, October 10, 2021 at his beloved "Voigtville". A gathering of family and friends will begin at 11:00am. A memorial service, followed by opportunities to eulogize Aaron will begin at 1:00pm. We invite you to join our family in sorrow and celebration.

As we mourn his passing, our family is choosing to focus on Aaron's many wonderful qualities. Aaron was a man who lived life to the fullest. Everything he did, he did with passion and incredible determination. He was an entrepreneur down to his very core. He was proud of the work he did, the wealth he built and the lifestyle he was able to provide for his family. He traveled and had incredible experiences, owned some really cool cars and a fun boat on which his family and friends made so many treasured memories. He loved giving people a great day on the water! Aaron fulfilled his dream of owning his own farm and found joy and tremendous pride in working on that farm with his sons by his side. He was always looking for ways to make memories and have adventures and had collected lots of fun toys of all shapes and sizes. He took excellent care of his menagerie of animals and loved sharing it all with whoever came out to visit. To know Aaron, is to know he loved a good project! Few things brought him more happiness than seeing one of his bright ideas come into fruition. He was a task-master who loved to get things done. Aaron had an enormous heart and a belly laugh that could fill a room. He was truly living his best life.

Aaron took his own life on October 1, 2021. Left to remember him through their tears are Rose and their sons Isaac and Silas who were the absolute joys of his life. Aaron will be forever missed by his parents Donald and Andrea Voigt; siblings Amanda (Bob) Torres, Alissa (Scott) Gunnerson, Adam (Cindy) Voigt and Angie (Jon) Thompson. Aaron never missed an opportunity to make memories for his nieces and nephews Ross, Brock, Luke, Bert, Aurora, Allie, Bauer, Augusta, Beckham, Agatha, Owen, Eloise, Nora and Reese. He was a very proud and loving uncle.

Aaron had an amazing group of friends who were also his family. In his own words, "I am proud of my life and the people in it".

“ Aaron and I got to know each other through his coming to watch summer theater camp play practices. We struck up a conversation and I found him to be such a energetic free spirit, who had such great love and pride of his son. This trait remained throughout the years we knew each other, and that is what I will most remember about him- his love for his children and his pride in them and the young people they were becoming.

“ I met Aaron through a Sales interview and he hired me on the spot. I had some of the best years of my life working with him. He was a mentor to me and I learned a lot of skill through the job that I use today in life. He helped me to not give up and to keep pushing to win the incentives that Kirby had to offer. Aaron also helped me to win some trips together. I had a blast on those vacations with him. He was pretty funny and had a like able character. Every one that met him new him to be kind and have a sense of humor. Thank you Aaron for all the precious memories, you will be missed by many.

“ So shocked to hear of Aaron's passing. I never met him in person but developed a relationship with him through work which eventually turned into what I consider a pretty good friendship. I always enjoyed talking to him and hearing his stories. He was a good guy and my heart goes out to his family.

This is so heartbreaking. We met your family at the resort, and two things I know about him. He loved Trump and he adored his family. You couldn't have one conversation with him where his boys weren't mentioned. Our hearts go out to you Rose and the boys and all of Aaron's family. Such a big big loss!

“ I met Aaron for the first time back in 1993 - he was one of the most outgoing confident kids I knew back then. He left such an impression that when he walked through the doors of the St Cloud Kirby company several years later, I instantly remembered him. I worked with him for a handful of years and will forever remember his booming voice, positive attitude, his extremely bright colored suits, amazing work ethic, and his ability to have fun no matter what he was doing. Aaron and I haven't talked in many years... this past week has brought back many good memories of him. Nobody is filled with 100% of one thing - Aaron had so much good in him!! Today I realized I could have reached out to him this past week to offer to pray with him, or just to offer grace and kindness. So many of us could have done just that. I wonder just how large a difference that would have made. Aaron - I will take away so many fun memories of you - and a desire to do better towards those who are hurting and need healing.
