“ *I smile when I think back to Allie driving his tractor past the one room school house with the tractor radio blaring. The last Christmas my dad, Mike Bauer, was alive my sister Florence gave him a tractor radio that he loved. I vaguely recall Allie singing "Good Night Irene" too. Did he do that at dances? My sister and I also bought a pig from Allie for \$5. Arnold was white with a black head and a black spot on his back. We raised him and sold him. Our dad gave us the money from him. All good memories. Take care,*
