“ *Sorry to hear of the loss of Uncle Alver, It was a shock to hear but also glad to know that he didn't have to suffer. Harriet we are thinking of you and your family and our sympathy and prayers are with you. And if you need anything don't hesitate to give us a call and we will be there on Saturday. I will miss our conversations because we had two things in common fishing and farming. He will also have a special place in David's heart because he was his godfather. Take Care and Love you always.*
