“ *Dear Rose, Cindy, Sandy and families,*

*Our sincerest prayers and thoughts are with you at this time. What WONDERFUL childhood memories I have of camping with your family at Dad's resort, your beautiful cabin, skating in your backyard, and many a fun sleep-over's -- with your smiling Dad always there to make sure we were safe, sound and happy. This world was truly a better place because of him. May you find PEACE knowing that God is taking care of him now. We'll keep him and your entire family in our prayers. With much love! Kim and family*

“ *I am so sorry for the passing of your Dad. Art was such a nice man and I appreciated his sense of humor and zest for life. I will remember his laugh and the way he always greeted me so kindly. My prayers are with all of you as you remember your dad, grandpa, and with Rose as you go through these next days.*

*Love,
