“ I had the privilege of working alongside of Art for five years with the lottery.

*The joyful memories of those times spent with a friend will remain with me forever. May God bring you comfort in your time of loss.*

“ He liked to play a game called Carbles. We met Art and Judy right before Covid was getting bad as they rented across the road from us in Arizona. It was so great to make friends.

*Was absolutely devastating to hear this sad news that Art had passed away. We pray for Judy and rest of family to be comforted.*

“ Sharing a boat with Arty determined to provide a sunfish evening fry for a week each year was something we all looked forward to.

*Surely, if things go as hoped Kay, Art, and Ron will be have everything readied for a big fish fry in the sky just outside the gate because smoke isn't allowed inside.*

“ *The Theis family were neighbors of the Winter family, we the older Theis kids have many fond memories of 'Artie' as we knew him, whether it was 'frog hunting', swimming in the creek or playing baseball we had so much fun. Rest in peace! Deepest sympathy to the Winter family.*
