“ *I worked with Barry for a few months in TX. He was a hard worker and would do anything for the team. I was shocked to hear this news and I pray that he is now in God's care. I hope for comfort and peaceful grieving for Barry's family and friends.*

“ *We search for words to express our sorrow for your loss, but they don't seem to come. Recall the memories stored deep within your hearts of the many good times you have shared together. Feel the gentle breeze as it softly touches your face, the warmth of the sun, or a moment that brings back a memory. Know that he will always be a part of you no matter where you are or what you do. You merely have to look into your heart to find him. Our thoughts and prayers on this day and always. Tom and Yvonne Widzinski*

“ I met Barry in Bellevue Wa. We stayed at the same hotel for about 4 months and saw each other almost every day. Barry was a hard worker but made sure he flew out to be home every weekend. R.I.P. Barry, you are a good man.

“ Ann & Ralph and Bobbi and the girls and Mark, Brad and Stacy: I heart aches for you all. I remember when Barry was born and how happy we all were to welcome a new nephew into the family. He also lived and worked with my husband and I when he was a younger man. He was always so responsible, hard working and enjoyed the best life had to offer. A great son, brother, husband, dad and grandpa. I hold you all in my heart and pray that he receives all the love and guidance he needs in his transition. Love and blessings, Auntie Lin Spanier

“ *Popcorn and Annie, we were shocked when Deedee told us what happened to your son, Barry. We are at a loss for words. From our "old friends" get togethers, I know every day was a blessing in your lives when Barry was there. Every thought now will be cherished. Bob and I pray that God will carry you through this time of sadness. Bob and Donna Backes*
