“ My condolences to the Nordmann family. I remember Bernie as a good family friend. Also a good substitute mom. She was always there to help me with any canning questions, or just there to sit and talk. Even play a game of cards or dominoes. Very kind and giving person. She will truly be missed. I will never forget her or her family. May she rest in peace. Linda Grossinger

“ Aunt Bernie was a wonderful person. She always spoke with me whenever we're at the same function. She was a crafty card player (couldn't put anything past her). I remember as a child, going to visit her and cousins in Richmond, sneaking into her huge garden to eat raw vegetables. She will be very, very missed. Rest in Peace Bernie.
