“ *We send our deepest heartfelt sympathy ~she never tired in sharing about her children, grandchildren and her little Kalina. You were the world to her! I know you will miss her dreadfully. It is never easy to say good bye to those we love who go before us but with the living hope that dwells in us as believers we take comfort in knowing this parting is but for a moment in light of eternity. I am so thankful to know that you were all with her as she passed. Truly a blessing. With all our love & prayers always~ Cindy & Ralph*

“ I am wonderful memories of working with Bernice at the nursing home. Between Bernie's Russ and Blake and myself we sure made a lot of fun with our job. To make the Sadder times a little more bearable. We always made it a challenge two get Bernice to laugh hysterically which we succeeded at many times. She certainly will be missed a wonderful woman.
