“ *Grandma Lucken was very special to us. We loved it whenever we could visit her (since we live in Texas). She always had a smile on her face and her bright mind never ceased to impress us.*

We will never forget the time she traveled to visit us here in Texas in 1985. Oh, how she loved seeing the Gulf of Mexico and Sea World. It was such a delight to have her here.

We are very, very thankful that Kurt & I were able to be there for Grandma's 100th birthday celebration. She was glowing with beauty and joy that day. We have many special photos to remember that day. We will enjoy looking back upon these photos over the years to come.

*We send you our love and prayers,
Kurt & Nancy Knettel (Clara's son & daughter-in-law)*
