“ I fondly remember... tagging along on car rides with Leo and Bertha, staying overnight at the big house, large breakfast, meat and potatoe meals along with 10 and 3 refreshments, chickens, gardens, milking, niece and nephew shenanigans.. and Bertha's calm and pleasant disposition through it all.

“ My dog (Leo) and I spent a lot of time with Bertha the last six months at Assumption Community. We will miss her beautiful smile and joyful spirit. Bertha had a special connection with my dog. One time, Bertha was busy so my dog sat in her doorway refusing to leave until he could see her. Rest in peace, Bertha. Thank you for always showing us love, gratitude, and happiness.
