“ *The loss of a loved one, and reasons why are so difficult to comprehend. I knew Brian as a prior good neighbor who loved his family, and believed in God. The Kleins will pray for him and his family and friends, in understanding that we never know when and where we will meet our creator. Often over the years I felt Brian and Marilyn were still within our neighborhood, and cherish the moments that we knew Brian. Our condolences and comfort to Marilyn, Matt and Chris, and all that will miss him, but yet grow with him even in death.*
