“ Auntie Eileen,

*I am so sorry to hear of the passing of Uncle Casper! I know he had a long battle of pain and now that pain is over. The gates of heaven are wide open to receive the man we all loved and will miss!*

*As a child you and Casper were always a real presents in our lives. I remember the trips to your home and Como Park, all the tours that he gave us when we would come to visit.*

*The visits to our farm in Dakota were a great memory for me, and how he was always wanted to teach us new things whenever we got together. He was a natural teacher kind and patient and never harsh.*

*Casper had a warm loving presence about him that made you feel that he care about each and every word that came out of a child's mouth when others didn't have time to listen. I always felt like he was a Grandpa to me.*

*He will be missed but I'm sure God has a very important place for him in heaven.*

*God bless you and be with you during this time of mourning.*

*Love the Roys,  
Linda, Brain, Josh,  
Becka and Brandon.*
