Kelly I couldn't have said it better. Chuck, was such an inspiration to all of us at school. He had a contagious smile. I remember him being my drivers training instructor as I hit every cone, he just laughed and called me Mario Andretti. Lol

The 4 of us girls were blessed to live across from Chuck and your family. Our thoughts and prayers are with all of you.

It was a great neighborhood to grow up in. Still is. Chuck was a big guy with a gentle heart. He had kind of a "shy" snicker/smile when something struck him funny, especially while trying to keep a straight face. Cherished memories of living next door to this family. Peace and serenity to family and friends.
