“ I first met Chuck when he brought Grace into Rapids Alterations for her very first fitting with us. Love you Grace! He and I, being the socialites we are, start talking and where you from and what's your name and when I told him my maiden name he asked, "Like as in Bobby Schack?" I wasn't sure if this was good or bad, but admitted that Bobby is my brother. Chuck replied "He pushed me down in the 1st grade and then we became good friends." so I called my brother and he and Chuck talked on the phone for about 30 minutes while I attended to Grace and her beautiful gown. Chuck was a good soul, always smiling and upbeat and quick to to laugh.
