“ *I did not know Cindy personally, but did know her father-in-law, Norbert Budig. Norbert was my first cousin and we grew up together on nearby farms north of Wadena, Minnesota. I met Cindy and Greg at Norbert's funeral several years ago. I want to express my sympathy and prayers to the family. May God be your strength as you grieve the loss of Cindy. Sister Rita Budig OSB, St. Benedict's Monastery, St. Joseph, Minnesota. Blessings!*

“ Cindy was always a good friend. Her spunk and positive nature was a joy to work with. I missed seeing her every day. The time we have in this world just never seems enough. I will try to aspire to your strength and kindness!

“ Cindy was a sweetheart. The girls of '79 didn't get together very often, but when we did, it was like we'd never been apart. Condolences to her loving family. May your memories of a life well lived ease your sorrow.

“ Cindy and I had the best times at her house or Grandpa Bill's cabin. We laughed and played hard. She was a great cousin.

“ *This fine lady was married to my brother. She was the sweetest kindest person I have ever known. She never had a bad word to say about anyone. As the saying goes she would give you the shirt off her back and was always thoughtful of others and go out of her way to help others. Cindy (or Sidney as I called her) and her whole family are very kind and welcoming people and I am proud to have included her as one of my sisters. It is going to take time to get used to her not being on this earth anymore but I know heaven got themselves one hell of an angel*

“ *I am very sorry to hear that Cindy succumbed to cancer. I saw her at the Records office before the Covid 19 pandemic and she did not let on that things were not going well with her health. She was a good abstracter and a good worker and a good person and I was glad to know her from when we worked together.*
