“ The passing of Uncle Clarence marks the end of an era as he was the last surviving of my mother's family.  
I appreciated the trips Clarence and Lucille made to visit my mother years back when she lived in Senior Apartments in Holdingford and when she was living in Mother of Mercy nursing home in Albany.  
She greatly appreciated those visits also.

After Lucille passed, Uncle Clarence would frequently stop at my St Francis farm on his way alone to his lake cabin.  
I looked forward to his stops.

RIP.....condolences to Ken and Linda and their families.
