“ I am so sad to say that today I lost a good friend, Father figure and so much more. Today, GOD got an ANGEL! This man has been a GOD sent to this world and every one that has meet him. I feel so sad for the family as this wasn't apart of the plan at this time. I just know the Lord wanted him for all his goodness in the world and there must be a plan in HEAVEN for him. MY PRAYER for the family....I am so sorry for your loss of this Beautiful person that I don't think could ever be replaced, but I know GOD and Clarence will be with you in this time of sorrow and every day after. We love you and you will be missed. Now you are in a better place even though it wasn't your time in our Hearts.
