“ Dear Rita and Ken, Mary and Stan, and Ron and all of your families.

We can not express enough the sadness we have at the loss of your father, grandfather and great grandfather. I remember Clarence as the tall, quiet, gentle man, who always had a crooked smile and a twinkle in his eye. He always wore a brimmed hat and was tanned from working in the sun. It's been a long time since I had last seen him and that's what is so sad. Time flies by so fast and before you know it another family member has passed away.

We can not be their in person to give our heartfelt condolences to you all. But, our thoughts and prayers are with you all at this difficult time. We wish we could, but we can not attend the services. Kevin can't take off from work and I am home sick with a sinus infection and I have Angela to care for.

May the memories you have of Clarence carry you through this time and remind you of all the wonderful times you had together as a family. The legacy your parents created in your family will be drawn together at this time. Draw on each other's strengths and remember all the wonderful memories you have of him and also your mom.

Although I have never met Juletta or her family. She must have been special for your Dad to remarry, after Alvina passed away. Our sincere thoughts and prayers to her and her family as well.

Godspeed, farewell and blessing to you all.
