“ Our Deepest Sympathy on Clem's passing. What a great guy! He was definitely a mover and a shaker. His competitive spirit was always alive, right up to the end. We had great respect for him and ALWAYS enjoyed visiting with him, and Jeanette. God bless his memory!

Always enjoyed Clemson Witt and humor.He was avid member of the st.martin band.He enjoyed playing the drum with the band and at times with some old time bands.His phrase was"you know see". Also, when playing with the band we n ever ran short of beer. He would sound off at someone, " hey we need some beer here." Beer would show up. Arrived here in mesa, and went to the legion in apache junction. I noticed clem wasn't there. That's when I heard about his sickness. The group will not be the same without him.

My sympathies and prayers to Clem's family. I had the pleasure of deer hunting with Clem in Wyoming over 45 years ago. There are many good memories that still make me smile. He was a great person and will be missed.
