*Connie Schiff was an absolutely wonderful Education Department Secretary when I was teaching in the Department at St. Ben's. She made all my class materials look super professional, and she did it with grace and charm as well! Connie was a remarkable person and a woman of genuine hospitality for all in the Department and our students & guests. May she rest in peace and dance with the angels!*

“ My deepest sympathies to you! I work at St. Ben's/St. John's. We exercised together and shared lots of laughs. Connie was in our retired ladies happy hour group, where we had more laughs. I will truly miss her!!!
