“*Dave was a great help for me at Voigt Bus Service. I was introduced to him shortly after taking on the parts specialist position. His insight was in obtaining the correct parts we needed. More than that, he was a friend. I will miss working with him. I pray God's grace and peace over his family and the team at Maney International.*

The friendship Russ and Dave had will never be over. Russ learned, experienced, and was taught so much from him and will forever be grateful.*
