“ *So very sorry to hear of Dave's passing. I think of him often. He and I ran the apartments together. I always told him I couldn't have done it without him. He was a great guy and I truly miss him*

“ *Sending a heartfelt message of sincerity and sympathy at this difficult time. Your father was a great man indeed. He was so sweet and kind and honest. I loved calling him "dad" way back when we were teens and even beyond. He was the perfect second father to all of us girls. I hope your memories will fill you with the love and happiness that he shared his whole life. He was well loved and will be greatly missed by so many. Love and hugs to all of you in this difficult time.*

*Always, Becky Lytle and family*

“ Our sincere condolences to your entire family on this great loss. What a wonderful example of how to be a giving, loving and caring person. He exemplified how to be a husband, father, grandfather and friend. You are so blessed to have that example live on in each of you. He also had a lot of patience for us Cold Spring girls; he was like a second father to a lot of us and he will be missed greatly. Love and prayers, Jim & Patti
