“ I worked with Deanna at Gold'n Plump for many years. She was such a genuine person. I know her family meant everything to her. My husband and I were saddened to hear of her passing. Our thoughts go out to Bryan and their children at this difficult time as well as all the other family and friends that will miss her dearly.

“ I have known Deanna for almost 20 years. Started out with our kids going to the same daycare. I'm a Girl Scout leader in the ROCORI area and we have spent a lot of time together over the years. It's so hard to believe you are gone, you were so young. I believe Deanna was the rock in our community with Boy Scouts and Girl Scouts. She always had a smile on her face, would be right there to help in any situation. To Bryan, Adam, Alex, Aaron and Ashley you are in my thoughts and prayers during this difficult time. Deanna will be truly missed in this community. May she rest in peace.

“ We will miss Deanna greatly. She was a genuinely kind person, a good friend and a joy to be around. We always admired her total commitment to her family. She was always "all in" on the activities her kids were engaged in, she always had more to give, and everyone around her benefited from her presence. We'll pray that her spirit will continue to wrap her love around her family, and may God continue to bless them.

“ It was wonderful to teach Deanna's kids because the support from home was evident. Deanna was always fun to see at school and most of all she would come to conferences ready to support her children in any way possible. She was such a wonderful mother.

“ *Deanna, you will be surely missed by all those lives whom you have touched. Just two weeks ago today, we were enjoying chocolate wine on your front step. So many memories and laughs, we had an awesome day, sunburn and all. You were so proud of the kids and how they were growing so fast into young adults. You talked of your nights on the front porch of you and Bryan reflecting on the days events, enjoying the evening sunset. You have been taken from all of us for a higher purpose. Words cannot express the sadness and loss I feel. May you rest in peace, and you will be forever in our hearts.*
