“ Debbie and my sister Kathy were good friends back in the 60's! I lost my sister Kathy in 1970. Shortly after our loss we moved away to Arizona. I kept in touch with Pam, Billy and Debbie through the 70's while they were still in Wheaton. A few years ago I tried to locate them again and found that Billy and Pam had joined Kathy in heaven! Now to see that Debbie has gone breaks my heart! I guess some day we will all be together again! My condolences to her remaining family and friends! Some great hearted people in the Wendt family! They touched my heart for years! May peace be with you all! Susie (Hynous)
