“ Our time as neighbors to Deb and Al has not been long. But it has been enough time to learn of Deb’s quick wit, sense of humor, and genuine caring nature. We were fortunate to have the time we had with her. We only wish it could have been longer to know her better and enjoy her company more.

“ When we moved in next door to Deb and Al 4 years ago, we realized right away how blessed we were to have such wonderful neighbors! We’ve shared coffee, cocktails, laughter and tears. Deb’s love of animals was well known, she has “cat sat” for us on many occasions and given more gifts and treats to Marv than we ever have! We will always be grateful for her generosity and kindness.

I just learned of Deb’s passing and I am shocked.....genuinely shocked. She was so vibrant and one of the most caring individuals I have known. She’s driving her convertible in heaven now. Dear Lord, watch over Al and his family during this time. There are no words to express what the Vergins meant to Big Fish Lake and their residents. Deb and I sure had fun checking people in for the Winter Ice Capades over the years. She truly cared. Heavenly hugs, Deb.
