“ My thoughts are with Dee's family. I met Dee while recovering from surgery and "residing" at Riverside. We met in June 2024 and became instant friends. She helped keep my spirit up by being a great listener, a girlfriend to chat with for hours and enjoy late night snacks with. I left 3 months later to return to my home in Alaska knowing that she was a person who had made my life so much better. A short time but lifelong memories. Dee was a giving, loving soul and I will miss her. Love you my friend.

“ Dee welcomed me to the family, not as an “in-law” but as a sister. I never had any sisters so she made me feel at ease marrying in to such a large family. She helped me so much and in the 38 years I was in the family I never felt I wasn't loved. Dee was a huge part of that. The last time I talked to her she was visiting with her brother Howard. I know they had a special bond and enjoyed many special moments together. My sincere condolences to her siblings, children and grandchildren. She was a very special person we are all better people because we had her in our lives. Krista Weyer

“ She is one of the best humans in my life that I had the privilege to love. Anytime I did get to talk to her it was like time has never past. I have nothing but joyful memories.
