“ *Delores was always so pleasant to visit with when we were visiting our Mom, Loretta, at John Paul Apts. Mom appreciated the care and concern Delores showed towards her. A very compassionate lady who certainly will be missed.*

“ *Delores was one of the nicest women I have ever met. She was so compassionate about the people around her and I know she will be missed around Assumption. During my time at John Paul, I was always amazed by Delores' willingness to help everyone around her and put the happiness of others before at times her own health. Even when she wasn't feeling the greatest she would still make it out to cards just because she didn't want to disappoint anyone. Delores was a wonderful lady and my thoughts and prayers go out to your family during this hard time.*
