“ *My thoughts and prayers are with the Vogt family. I have very fond memories of Denis. Pat and Denny were in the same class with me. Our group really had a wonderful time. Time sure does fly bye.*

“ *Pat and Family,*

It comes with emense sorrow to hear about Denny. I am so very grateful for all of his kindness and direction while I was in high school. Never forgot our talks in the livingroom at the Vogt home while watching Westerns. Sending big hugs from Puerto Rico and will have you in my heart during these days of sorrow.
