

## Denise A. Scepaniak

August 6, 1965 - January 25, 2022

Denise A. Scepaniak, age 56 of Cold Spring, died peacefully, surrounded by her family on Tuesday January 25, 2022.

Denise was born August 6th, 1965, to Joe and Dorothy Holthaus. She grew up surrounded by her large family, she had nine other siblings and a lot of aunts and uncles. Denise was influenced by her family to be a loving and caring woman, always giving her time to others and she incorporated that into her motherhood. She married her high school sweetheart Gregg in 1992, and they decided to start a family of their own. As a mother, she was generous, kind, and loving. In her free time, Denise enjoyed hosting family and friends for pool parties, riding the Harley with her husband and friends, and long peaceful walks. She believed it was important to stay active. She will be greatly missed by her family especially her three children Kyle (Kari), Kole, and Kendra who adore her with all their hearts.

We know we can't have you, but we are happy knowing that the angels have finally got you back. Goodbye to a wonderful woman and a beautiful mother.

“ *Denise was a wonderfully kind person. After I moved from the Cold Spring area, Denise and I would only cross paths minimally. But when we did, it was so much fun to pick up exactly where we left off. She made me smile with her sense of humor and her genuine kindness. She will be missed. My condolences to Gregg and her family. God Bless you all.*

“ *Denise was one of the kindest and hard working woman that I knew. As the secretary of St. Boniface School she was a jack of all trades. She was always there for any student or staff that needed help of any kind. She knew which students needed that little extra love when they came to her. She welcomed all to the school. May she rest in the hands of the Lord. And peace to her family.*
