“ *Special, loving, meaningful life memories of my cousin Donnie, Connie and kids. I so treasure Donnie's Richmond family farm stories and sharing reflections of our parents and the farm life of our history there. Treasuring also the clock he crafted that I look at daily/often on my desk.
Sending sympathy, love and peace to all of his special family.*

“ *We are so sorry to hear Don has passed. Tho it's been several years since we last visited at Hobo Park, we only have good memories of Don and Connie. I wish I could make the funeral but have another one at our church at the same time. I will be thinking of you, Connie. Hugs to Connie.
