“ *We want to extend our heart felt condolences to the entire Wolf family. Being Lynda's sister, we have had the chance to get to know your family through the loving stories David and Lynda enjoy sharing with us. Hearing the love and admiration for Donald (and the entire family) has always been a wonderful thing. Children do not always think so highly of their parents. Our thoughts and prayers are with all of you. May you feel God's love and let him help you through this loss.*

*Sincerely,  
Beth McDermott*
