*I am so sorry to read of Dora's death & I want to send along my most sincere sympathies and condolences to her surviving family. Dora was one of my very best friends at Assumption when I worked there for 7 years as chaplain. She was a woman of strong family, faith & farm. Dora had a very pleasant personality and she was super faithful in her Mass attendance. Her warm and friendly disposition made her everyone's friend.....may she now rest in peace! With lots of prayers & love, Fr. Tom*
