“ Dorothy was a great friend. She was always so positive even when in pain. Her strong faith kept her going and brought others to the faith. I loved being her card partner through the years and eating her wonderful cooking. Heaven has gained a beautiful soul. We will miss her. Richard and Barb Schmidt

“ We always had a great time visiting, when we had the chance. Dorothy would always say-- ya ya Rita. The laughter was always there along with such a great big, sweet smile. Dorothy and Eddie will always be in our hearts and missed greatly.

“ She was a super great lady! Always smiling. Growing up we would visit every chance we got. When we joked with her, she always said "oh, you guys!!" Always a great time at their house, My family enjoyed eating the legendary "Dorothy's beans," and we still make the at family gatherings. They will always be called "Dorothy's Beans!" She will be in our hearts forever...Mike and Ester Peine

“ *She was a great lady! Got to know her through church, we were in the same circle, and woman's club. We still use her Sloppy Joe recipe that she made for every craft and bake sale! She also was a great seamstress. Made a suit for our one son for a wedding. She also made 2 flower girl dresses for our grand daughters. We still continue a tradition that she taught us. When we go camping and on special occasions at home, we have a "Salute to the Sun". Something she said she did with her sisters when they went to the cabin!! Rest in peace. You and Eddie are now back together. Bob and Gayle Harshman*

“ *I remember going to the Eichers place as a child. Dorothy was big sister to one of my favorite cousins. Summers there are fondly remembered. RIP Dorothy. Condolences to the whole family.*

“ Dorothy was the first person I became friends with, when we moved to Princeton in 1971. Our kids were the same ages, we went to the same church and loved to go dancing and playing cards. When they bought their house we lived less than a mile apart. I have good memories of the many times we were together. Now she is with Eddie and my husband, in heaven. Peace be with you, dear friend.
