“ *My godfather Beets which is what my mom called him. I soon understood why because when he laughed his face turned red like a tomato. He was always there for my brother and I always told him how much I appreciated him and helping us through a difficult time. I just hope he knew that I loved him. Whenever I wanted a photo of him and my godmother Margie they both were always willing to take a picture with me. Beets I will miss you and I know Randy will be with you in heaven where you will continue to watch over all of your family. Your goddaughter Joan 😊*
