“ My sincere condolences to Eldons family, I remember most of you when we were kids but like things happen we lost each other. I was surprised by Alice after years seeing her and Brian at a Kilde Barn Fest a few years ago and I think Bev at our Perkins in Fergus. My health will keep me from attending the Funeral.
May Eldon RIP 🙏 Dennis Kilde

“ Elden and I use to do a lot of camping and the boys and their friends along with Barb and Lenny who got us started in camping. And later years, got the family together to make potato dumplings. It's a procedure where U need all hands on deck. He will be missed by all who had the privilege of knowing him. RIP and Thank U for your service. Love, Doris and Bruce
