“ *There are few people that can touch someone in ways that cant be explained, Ellie was one of those few. She did daycare for our daughter Megan and son Dylan. It was like taking them to grandma's house. You knew everything was going to be just fine, and the kids loved going there. We have had to go to other daycares since and nothing personal against them, but nobody can match Ellie We miss you already and will never forget you. I know if you read this here on earth, you would probably roll your eyes, shake your head and say "oh fer dumb." Or I could also picture you doing the same and under your breath say "oh God" and turn away. Thats just how she was, she thought she was just like anybody else, and yet there is nobody else like her. To Scott, Sandy, Stacy, and Sarah. You are very fortunate to have parents as special as Mike and Ellie and yet unfortunate to have them taken away so soon. Rest in peace Ellie, We will never forget you.*
