“ I knew Betty as she babysat for my oldest brother's kids and she also took me to football games since we lived fairly close together and were two years apart in high school. For many years we exchanged Christmas cards and also did birthday lunches together. I'm so sorry I missed the wake and funeral as I didn't know until it was after it. My deepest sympathy to the family. Mary (Merdan) Eisenschenk

“ I too lit a candle for Betty. I still remember her mother working in Dining Service many years ago. Betty was a fun person and a great asset to our community...may the family receive the support they need at this time!
