“ *In my 38 years of knowing my grandmother I can say with certainty she was one of a kind and I am unlikely to ever meet anyone again like her. I never heard her utter an unkind word about anyone. She was a woman of seemingly endless patience and perseverance. And always had a smile to greet me. Love you and miss you Grama! ~Charlotte*

“ *I have fond memories of summers and Christmases spent at Grama's. I remember her tending her huge garden as we ran around the yard playing. In the evenings there was no limit to how long she could stay up playing cards and showed us all up right through her 90s. She always prepared a big farewell breakfast on the last day of our visit. Grama loved her family, told it how it is, never wasted anything or took it for granted, and appreciated the important things in life (including nuts and chocolate.) We love her very much and will miss her!
