“ *The Rangeloff Family,
We're very sorry to hear of Ding's passing. Though we never met him, we heard lots of stories about him and the family from Michael and Diane. Our thoughts are with the whole family.

“ *Dear Murph and family,
So sorry to hear of Dingle's death. He was a great man with much enthusiasm for life! I remember baby sitting for you and also a trip to the north shore while you visited your family and I was the "nannie". I have missed our connections in the grocery store but have kept you in our prayers. What a wonderful family you have to help you through this loss. With love, prayers and God Bless!
