“ To the Schrodin Family,

My condolences to all of you. I have come to know your mother's life as an inspiration and example of faith and grace in these last years. She always showed kindness to my mother even on Mom's not so good days. As former "sorority sisters" in the St. Julian Mission Group, Florence and Mom would reminisce (even if it might have not been in audible conversation) about their leadership years of the circle. Florence always had a welcoming smile and offered a word or gentle touch of encouragement to Mom and me when our paths crossed at the nursing home. The love of family she and your father taught you was evident in the many visits and kindnesses you extended to her and to one another. What a beautiful life! I am certain she is hearing, "Well done, my good and faithful servant!" May all of you share joy and comfort in knowing that she has entered her eternal reward with our Heavenly Father.

“ It was a privilege growing up across the field from Aunt Florence and Uncle Ferdie. Many great times were had with their great family as my cousins. I will always remember Aunt Florence for her unique smile. Her smile was very obvious in her years at Assumption Community, especially when someone asked her how many children she had. Her face would light up, and with her special smile say "5 boys and 5 girls".
May she rest in heaven's blessings for all her hard work!!!

“ To all of the Schrodens family, I am so sorry to hear of your loss. I knew your mom through her brother-in-law and sister-in-law Alex and Olive Schrodens. She became a dear friend of my mom, Clara after she and Ferdie moved into Cold Spring. They had many good times quilting and playing cards together.

Your family is in my thoughts and prayers.
