“ *To John & Jan Ludwig,
I was sorry to hear about your Mom passing away last Tuesday. My thoughts and prayers are with you and your family on this sad occasion. Many times at the Hockey arena, or at a social event, I remember talking with you about your Mom and how she was doing in Her health issues and general every day events. I'm sure your Mom was a classic lady and good Mom to you and your brothers. God bless Her and Her family.*

“ So sorry for the loss of your mom, Frances. She and my mom were such dear friends from the time she lived next door in Cloquet and continued to be in touch even after she moved to Albany with weekly calls and exchanging birthday cards every year until my mom's health took a turn for the worse, but she would always make sure to tell me to let Frances know what was going on so she wouldn't worry, and Frances did always worry about her. She was such a sweet lady! I remember the time a few years ago when I brought my mom over to spend a night with your mom and they had such a good time. I am sure they are having a good time together again in heaven. Prayers and hugs to your family during this difficult time (((<3)))
