“ *Dave and Family,
We were sorry to hear of the loss of your sister. You are all in our thoughts and prayers during this difficult time. There are no words; it's just tragic and we pray for strength for you. As you take care of others please remember to take care of yourself as well. Death is worse for the ones left behind to find their way to a new "normal."
May you eventually find some peace.*

“ *Ron and family: What do you say to a friend and his family at a time like this. I was so shocked when Tammy called me and told me. I only met Gail once at the fest so I didn't know her to well. But my prayers are with you to give you strength to get throw the days ahead. Cindy DeWitt (golf cart tags)*

“ *Dave and Family,
I called Nancy at school to check in about something this morning and she told me of your terrible tragedy. My heart goes out to you and your family. My sisters mean the world to me and I just can't imagine losing one of them. I can't think of anything that can help at a time like this other than "I'm so sorry" and "sometimes life just doesn't seem fair". My thoughts and prayers are with you and your family. I am so saddened by this news.
