

Greg Steil

December 16, 1989 - February 24, 2025

On December 16, 1989, Greg Steil entered this world and immediately completed the family puzzle as the little brother- and glued everything into place. Tragically, Greg left our world far too soon in a car accident on February 24th, 2025.

If you spent time with Greg, you probably knew about the things he loved: his family, his boyfriend Adam, spending time fixing anything! He often told us all: “anything can be fixed!”, from broken tv’s to his collection of vintage gaming systems. Greg loved spending time in nature- hiking, exploring and experiencing- always with a camera out to capture the memories.

Greg was a gentle soul who was known for being the best listener. He always had time for his many friends and family. He was quick to offer support or a helping hand- but even quicker to quote Dumb and Dumber or another favorite movie line by line.

Greg was so happy to be planning a bright future with his favorite person, the love of his life, his boyfriend Adam. He will be deeply missed by his parents, Michael and Joan Steil; boyfriend, Adam Eggert; siblings, Amy (Chris) Zabinski and Eric (Christina) Steil; nephews, Caleb (girlfriend, Jasmine), Connor, Lincoln and Hudson; best friend, Greg Danielson; grandparents, John and Irma Heinen; and many other friends and family members.

A visitation honoring Greg's life will be held beginning at 3:00 p.m. on Saturday, March 8th, 2025, at Wenner Funeral Home in Richmond, MN. Our evening will conclude with a remembrance service beginning promptly at 6:30 p.m.

“ Greg was an amazing guy. He was a great friend and coworker. I always looked forward to seeing Greg when I came to St. Cloud from Brainerd for deliveries. Greg was full of love and kind to everyone. I was fortunate to get to know Greg, and routinely throw a few jokes around. I was jealous about his stellar beard, we regularly joked about trading his beard for my hair. Greg will be deeply missed. Marco, and the world, is not the same without him.

“ Greg was a wonderful friend made in high school. He always was filled with kindness and positivity, and it was contagious. I had never met someone who was more of a fan of Volkswagen Beetles as him. Thoughts and prayers to family and loved ones.

“ Greg was a fast friend made during high school. He was always happy and up for anything. We lost touch after high school but, nevertheless this is heartbreaking. Taken way too soon.
