“ *Esther and Family,*

We were saddened to hear of the passing of Uncle George. While I don't have the opportunity to visit home often, a visit with George was frequently at the top of the list of things to do. He was a great host, took the time to sit down and talk, and made me feel welcome. My last visit with him was spent talking about his children and grandchildren, of whom he was so proud. My thoughts and prayers are with you at this time of great sorrow.
