“ *We hold great memories of Harry. Many of them when he and the family would go to their cabin near Akeley. Always looked forward to a visit from him at the Stomping Grounds. He had a great sense of humor and enjoyed many laughs. Rest in heavenly peace Harry, you'll be missed by many. Sending comforting thoughts and prayers to all the Kuechle Family 🙏

“ I have far too many "Harry" memories and sayings to share them all. I could share how Harry often said to get my "piece of shit Chevy" off his driveway. Or the wonderous fish story from one the times Shannon & I went ice fishing... not sure which one of us caught the monstrous beast in the final telling (that along with the size of the fish seemed to change with each story). For all the kidding & joking & teasing, Harry always made me feel like a part of the family and I appreciate that more than anything. Kathy you too! I'm thinking of all of you .
