“ *Harriet will be missed always had a hug for me. She was my 4th grade teacher with the same last name as mine. We saw each other at many family gatherings as your Dad and my Dad were cousins. She was the best teacher. Loved her. Sue*

“ *I was a student of Harriet's in the 3rd and 4th grade at Harding #2028 at rural Paynesville. She was a good teacher. I have often thought about her over the years. The last time I saw her was at my wedding, 33 years ago. I remember being surprised and excited to see her after the span of years since "country school". She will be greatly missed.*
