“ *Diane and Billy, I am so sorry to hear of your Mom Helen's death. You are in my thoughts and prayers at this time of grief. I was glad that our cousin Bill sent this info on to me. You may not remember me, though I did see you frequently when you were young kids. I had not seen your Mom in several years, as she did not attend our cousin reunions the last few times. I'll think of her as an angel for now.*

All the best.
